

## Field Trips

Kindergarten, 1st and 2nd grade went on a field trip to Wonderscope May 7th.

The main rule at Wonderscope was to TOUCH EVERYTHING and EXPLORE through your senses. Our kiddos did a fantastic job of following the #1 rule. Each room had a different theme and was filled with something fun and interactive for them to do! Everything from a room made out of Lego's to creating their own art, building a treehouse in Tinkerspace, Farm to Market, Baby Nursery/Pet Grooming/Vet Hospital, and Raceways (a room filled with race tracks for golf balls). Our children and adults thoroughly enjoyed themselves while learning/playing with their hands. We also met two new friends, Oreo and Teddy, who were Wonderscopes guinea pigs. I think Wonderscope may be a place that we would like to revisit in the future. We had a great day! (I think the teachers had fun too!)

## **From the Principal's Desk**

We celebrated **Teacher Appreciation Week** this week! We are blessed to have awesome teachers at Bishop Hogan! They are dedicated to shaping the minds and lives of the young learners they come into contact with each day, both spiritually and academically. They are diligent about helping students be successful. They put in many extra hours before and after school, finding new ideas to use with technology, or ideas to supplement the curriculum. They also coach our ball teams, help with fundraisers, and take care of our school. As we look back with fondness on our favorite teachers from school, we know the impact they had on our lives. Thank you to Bishop Hogan teachers for their passion, dedication, and enthusiasm in helping students learn the skills and tools they need for a faith-filled, productive life! Kudos to our Bishop Hogan teachers!

Our 5<sup>th</sup>-8<sup>th</sup> grade students had the opportunity to attend a presentation at the Library, conducted by local artist, Nora Othic. She showed a slide show of many of her works, and talked about the journey of being a full-time artist in rural America, painting rural American scenes.

The staff and students wish to extend to each Mother and Grandmother a wonderful Mother's Day!

As Abraham Lincoln said,

"All that I am, or hope to be,  
I owe to my angel mother."

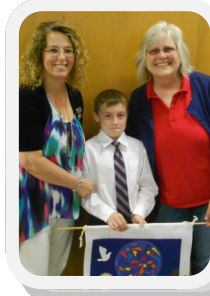

May God Bless You,  
Pamela Brobst

## **FIRST HOLY COMMUNION**
