From the Principal's Desk

The Homecoming float looked awesome!! Thank you to Heather Davis and her family, Kathy Baxter and Avery, Katie VanHorn, Amy Montgomery and Izzy, Leslie Holland, and Julia Reeter for helping to decorate the float. The great ideas came from Mrs. Davis and Brooke Westcott. We send additional thanks to Reece and Shelby Crawford for letting us borrow their trailer, Jason and Amy Montgomery for their truck and for pulling the trailer, the Marshalls for housing our float, and Katie VanHorn and Brooke Westcott for helping with hair and costumes. We hope you got to cheer the 3rd and 4th grade on!

It was so nice to begin this hot week in our newly air-conditioned classrooms!! What a difference it makes to both learning and teaching when you are in a comfortable environment!! It is hard to find enough words to express how appreciative we are of all the people who made air-conditioning possible. We have been saving money for the AC/heating units for a couple of years. Thank you to those who have donated money, those who have participated in our various fund-raising projects, and to those who have recently donated labor and materials. Your impact will touch many students for years to come! May God bless you many times over!

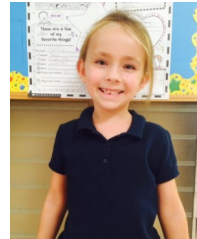

May God Bless,
Pam

New Faces!

We are so excited to welcome 14 new families to Bishop Hogan! We will highlight one new student each week!

PASSPORTS

(Written by Sydney Baxter)

Starting Wednesday, the 7th & 8th grade class presented their passport reports. Everyone in our class chose a country they would like to visit and planned their trip including a flight, hotel and every expense in-between. We were required to prepare a dish or desert from our country and share with the class. This project opened our minds to many different languages, foods, and cultures. We also know how difficult it is to plan a trip! You can view our finished pieces in the hallway. This was a wonderful "first project for the year" and we learned so many new things! —By Sydney Baxter
