Kindergarten News

To go along with the theme of The First Thanksgiving, Mrs. Minnis' husband brought in some Indian artifacts. He showed the students some arrow heads, ax heads, game balls, beads that would be worn on necklaces, and some pottery. The last thing he showed them was what they enjoyed the most—a big piece of hematite that would be used to paint faces. He then painted the students on their faces and hands. They really enjoyed seeing these artifacts.

Why We Have Thanksgiving

by Alikai Richie

We have Thanksgiving to remember the Pilgrims and the Indians and to thank God. And to be thankful for...

My family, my house, things to play with.

And to be thankful for being able to go to a Catholic School!
