Walk For Life

**Our GRATITUDE to all of you who made our
March for Life trip a reality!**

I appreciate all you have done to get us to D.C. I learned so much and am glad to show it. I was so touched by what I saw and learned, in and on the way to D.C. Thank you very much for going out of your way for us to experience this magnificent pilgrimage. Thanks again! – **Riley Brobst- Bishop Hogan Grade 8***** Thank you for helping this year's 8th grade class get to D.C. It was a very inspiring trip and really helped open my eyes even further. After walking in The March, I can confidently say that I am Pro-Life and for that I will be forever grateful. - **Maggie Pfaff- Bishop Hogan Grade 8***** We appreciate your help and support to get us to Washington D.C. We had a great time on our trip and we have lots of wonderful stories. Thanks again for helping us be a part of something so big that changes people's lives. – **Carleigh Crawford – Bishop Hogan Grade 8***** We really appreciate all your support leading us to our pilgrimage to Washington D. C. It was a great experience for all of us and we thank you for your kindness in helping us to go. Thanks again! – **Hannah Haakenstad- Bishop Hogan Grade 8***** Thank you so much for donating your money to help us get to Washington D. C. for the March for Life. This was my first year on The March and I learned so many new things! I especially learned about the rights every human should have – mothers and babies! When we marched, I think all of us felt like we made a difference. Although the trip was fun, I hope to never go again because the abortion law should be outlawed. Thanks. – **Sydney Baxter- Bishop Hogan Grade 8 ***** Our trip to Washington D. C. was great! I loved marching for a cause and getting to go sightseeing! It was so much fun! – **Kennedie Kieffer- Bishop Hogan Grade 8***** Our trip to Washington D. C. was inspiring. It was amazing to be a part of such an important movement. Each of us came home with new insights and information to share and hopefully use to change hearts. A changed heart gives every life the potential it deserves. Thank you for making this trip a reality for me and my eighth grade students. **Ms. Tyree**

From the Principal's Desk

Participating in the "March for Life" was truly a memorable experience! It was a reminder to all of us that life is a gift, given by God, and should be treated as such. It was inspiring to see thousands of people willing to stand up for and speak out about their beliefs! I feel that even if we changed the hearts and minds of a few people, it was worth it. Thank you for helping us make this pilgrimage! –**Pam Brobst**
