From the Principal's Desk

We will be adding an additional **teacher** to our staff next year! Due to our increased enrollment in the lower grades, we will be dividing our combined first and second grade class into two separate groups. We want to continue to offer extra attention to our students in the way of smaller class sizes, thus an additional teacher is warranted. Applications are available at the school office or call 660-646-0705 for more information. If you know of someone who might be interested, please encourage them to come talk to us or give me their contact information!

We hope you are making plans to attend our 12th annual Dinner Auction on Saturday, April 25th. There will be 'something for everyone' among the silent and live auction items. You won't want to miss the finest meal around, donated by HyVee and prepared by *master chef*, Jeff Frampton and his crew. It promises to be a fun and entertaining 'Vegas-style' evening!

April 24: We will dismiss at 12:15 on this day so preparations for Dinner Auction can continue. There will be **NO LUNCH** served, contrary to what is listed on the April lunch menu. We are sorry for the inconvenience, and thank you for understanding.

May God Bless You,
Pam Brobst, Principal

Items Needed

We are in need of **white Christmas lights** for the gym. If you would like to donate some please drop them off at the office before Friday April 17. If you would like to loan the lights to us please put your name on them and bring them to the office before Friday, April 17 .

We still need white tulle for decorations. If you would like to donate some, that would be great!

Shatto Dairy Field Trip

The Kindergarten, 1st & 2nd grade visited the Shatto Dairy on Thursday April 9th. The children all learned about the dairy industry and participated in milking the cows. A great time was had by all. The children returned to school and received a Pizza Hut pizza party. Thank you to all the volunteers that helped drive.
