From the Principal's Desk

Next week, January 20-23th, our 7th and 8th grade students, their parents, Mrs. Tyree, and Father Kneib will go on their pilgrimage to participate in the *Walk for Life* in Washington, D.C. Their journey will begin at Blue Springs on Wednesday with Mass in K.C., followed by a 25 hour bus ride to Washington, D.C. They will visit historical sights on Thursday, attend Mass at [Basilica of the National Shrine of the Immaculate Conception](#) that evening, and then join the rally against abortion on Friday. They will begin their walk with thousands of other people at the Washington Monument, after hearing several guest speakers and legislators, and end at the Supreme Court building. That evening they will board the bus to head home. They will arrive in K.C. on Saturday. They are excited about the trip and the opportunity to 'stand up' for the dignity of human life and preserving what God created! Please keep them and their safety in your prayers.

We want to thank everyone for your help in making this important trip possible. We had so much support for our fundraisers with our breakfasts, spaghetti dinner, Trivia Night, SOAR card sales, and donations. It makes the trip so much more meaningful for the students when they know they are representing our church patrons and school student body with their attendance at the rally. We appreciate everything you did to help them reach their goal! It will impact their life!

RELIGION CLASS

Seminarian Ben Armentrout visited the 5th through 8th classes this week and helped Father Kneib with the religion classes. The lesson was on Baptizing in

an emergency situation.

Missoula Assembly

The Chillicothe Arts council visited Bishop Hogan this week for an assembly. If you were able to attend the Missoula

presentation this weekend of "Little Red Riding Hood", the performances are Saturday at 3pm and 5:30pm at the PAC. Adults are \$6.00, students are \$3.00 and Pre-K is free. The cast includes some students of Bishop Hogan, they are: Jamison and Jack Marshall, Libby and Sadie Bonderer, Litton Gabrielson, and Allison Higgins. Congratulations to them!

Project Lead the Way

Because of a donation by Paul and Kathleen Radcliff, we will be able to send someone to training later this spring or summer for **Project Lead the Way**. This is a national program that incorporates hands-on, project and problem-based units involving (STEM) science, technology, engineering, and math. The kits we purchase later will be used to enhance our science. We will begin with a few grades and hope to expand!

Ice Machine

We want to thank Jason and Amy Montgomery for their donation of an ice machine! It will be so handy for all of our events. We also appreciate Kevin Goad, Jarrod Marshall and Matt Leamer's help on the installation!

Catholic School Week

We will celebrate **Catholic Schools Week**, beginning January 30 and ending February 5. We will send home the calendar of events and information for dress up days. We will also be looking for student volunteers to help at the Masses on the weekend of the 30th and 31st. A Mass participation list will come home soon. Please look to see how your child could play a role in the Mass you attend and return the form to us! We will also host a book fair in the library. More information regarding this will be sent home next week.

Drawing Contest

The Dinner Auction committee would like the Bishop Hogan students to submit drawings for our Thank You notes. Two winners will be selected and their drawings will be used for our cards.

The drawings need to be submitted no later than January 31, 2016. Pictures should be drawn on 1/2 a sheet of typing paper. Crayons, markers, or colored pencils can be used.
