From the Principal's Desk

Congratulations to our fifth grader Evan Deshayes, son of Jon and Heather Deshayes, for being nominated and accepted into the *Pathways to STEM Institute* (Science, Technology, Engineering, & Math). According to the letter he received from Washington, D.C., the institute is described as a weeklong "national youth leadership forum with unique learning experiences for bright, forward thinking students who will evolve into our next generation of innovators, engineers, doctors, software developers, and scientists." He was chosen based on his scholastic merit, work ethic, maturity, and leadership potential. The *Pathways to STEM* will be held at Loyola University in Chicago this summer. Only 125 elementary-aged students are chosen to attend this prestigious camp!

We are happy to announce that we swept the area Elks Americanism Essay contest in the 5th-6th grade division. We had all 3 place winners. Mrs. Sturguess said it was extremely hard judging because they had double the entries this year. Yeah for 1st place: Ethan Huwar, son of Angie and Josh Huwar; 2nd place: Allison Higgins, daughter of Mary and Mark Higgins; and 3rd place: Jackson Reeter, son of Julia and Jamie Reeter. Congratulations to all three!

We will be celebrating **Catholic Schools Week**, January 31-February 5. Students will have dress up days, participate in community service, and will recognize the many supporters we have that make our school possible. As part of that, we will be asking any parishioners that want us to pray for them to write their petitions on a piece of paper located in their pews at the weekend Masses Jan. 30 and 31. Students will pray each day for the special intentions. Parishioners do so much for us that we wanted to give back by praying for them.

May God Bless You,
Pam Brobst, Principal

CONGRATULATIONS!
