## **From the Principal's Desk**

**Student writing:** Our third/fourth grade wrote about an **Act of Kindness** they did, and their big hearts and faith are inspirational. This is the spirit of Bishop Hogan! Here's an excerpt from what a few of the students wrote:

**Praying for the Class:** I said a prayer for the class that their Guardian Angel would watch over them and they would get an A+ on their reports. I saw one of my classmates doing better because I prayed for that person. I chose this Act of Kindness because I knew some of my classmates could use some help. Every time I prayed for my class, they grew more and more every day and it made me feel good.

**Praying for People:** I prayed for the poor that they would find a home and get money to have a good life. Then I prayed for people who have cancer so they can fight through it. I also prayed for people who have died so they will go to Heaven. Then I prayed for people in the Nursing Home and my Prayer Partner. After that I prayed for everyone that they will have a good life. I chose this Act of Kindness because somebody had to pray for people.

**Helped Someone with Math:** I helped a friend with math. She didn't know the answer to a problem. We used different strategies. In the end, we figured it out. My friend was happy because that meant less homework. I hope I can continue to do Acts of Kindness so I can improve my life to be a better person.

**Doing Chores:** I can't wait for tonight. I get to do my chores for my next Act of Kindness. I really like doing Acts of Kindness. It affects people by making them happy. What would the world be like without kind people? It would be like mean everywhere and God would not like that.

**Praying:** I prayed for a lot of people and they all got the message. It was a good thing to do and it felt good to pray for others. I prayed for 20 minutes. I had to go outside because it was too loud in my house. Outside I could think more and pray more. I sat there with my eyes closed until I lost track of time. I love to pray. It was really fun.

**Thank you !**

A great big "Thank you" to the parents and the PTO who worked the lunch & recess on Friday Feb. 5 and for providing such a wonderful lunch for all the teachers. It was a week of fun and the lunch was a great way to end it. Thank you, PTO, for your hard work and for all that you do for our school.

Our students have worked really hard to bring in money this week for Penny for Patients. It has been amazing! It is a very close race with third and fourth grade leading by two dollars and one penny! When we work together we accomplish great things...so far our school has collected \$548 to be donated to LLS. Keep up the great job! Our service project will continue for two more weeks. Remember, we will have weekly winners and one overall winning class.

### Box Tops and Labels

We are having another push for collecting the Box Tops and Labels. Please turn in all sheets and extras by February 25.
